Child Collection at the end of the Day

• At the end of the day you will need to collect your child from the area in the playground labelled with your child’s class at 3:30pm (12:15pm on Fridays).
• Please stand back from the area until the classes have assembled.
• Please do not take your child without telling the class teacher.
• If another adult needs to collect your child please tell the teacher in the morning or call the office to inform them.
• After 3:40pm your child will be taken down into the year 5/6 AHT room.
Uniform:

Ward End School has a uniform and all of our children are expected to wear it. Our uniform consists of the following items:

- Grey or black jumper/cardigan/sweatshirt
- White shirt/blouse OR white or yellow polo shirt
- Grey or black trousers/skirt/pinafore dress/shalwar kamiz
- Safe school shoes (low heels, no flip flops)
- Yellow and white checked or striped summer dress

Wearing uniform helps children to belong to our school.

Please remember to name all items of clothing your child wears to school.

Indoor PE kit is:
- Shorts/leggings (must be tight fitting)
- T shirt
- Indoor pumps (not trainers)

Outdoor PE kit is:
- A warmer top, jogging bottoms and trainers.

As the children in year five are getting older, they need to be reminded to wash regularly and ensure their school uniform is washed on a regular basis.

If children cannot take part in PE due to medical reasons, they need to bring a signed note.
Behaviour policy

At Ward End we follow rules, to guide our behaviour.

When children keep the rules they will:

😊 Be praised
😊 Have rewards (stickers, certificates and class points)
😊 Be chosen as ‘Star of the day’ or the ‘Golden Child’
😊 Have class counters in a jar to build up to whole class rewards
😊 Have privilege time

If children don’t follow the rules then they will:

😊 Be spoken to about what they are doing wrong
😊 Miss part of their playtime
😊 Be sent to another class or teacher
😊 Be sent to the Assistant Head Teacher, Deputy Head Teacher or Head Teacher

If a child is consistently not following the school and class charter rules, they will be put onto a target card system which is:

Medication

If your child is diagnosed with asthma, allergy or any other long term illness during the holiday please bring their medication and a doctors letter to the office so that it can be logged. Please check the expiry date on the medication before you bring it into school to ensure the medication is in date.

We understand that children can require medication on a short term basis. This MUST be taken to the office and not given to the Teacher or Teaching Assistant.

For health and safety reasons – if your child’s medication is not in school, we may have to send them home until the medication is available.
Health and Routines

• Research has shown that children between the ages of 6-13 need a minimum of 9 or as much as 13 hours sleep.
• It is important to get children into a good bedtime routine.
• Breakfast is the most important meal of the day. Avoid overly sugary foods and fizzy drinks.
• In order for children to perform to the best of their ability in school and during exam weeks, please ensure children are having a good night’s sleep and are eating a nutritious breakfast.
Attendance & Sickness

It is very important that your child attends school every day, on time. Please ensure appointments are made out of school time. If for any reason your child is going to be absent please telephone or send a letter to let us know.

Medication – Can you please make sure that we have the correct medication for your child in school and that it is in date.

Child Protection

The governing body has adopted Birmingham LEA policy on Child Protection. Any child who discloses information concerning their safety, may be referred to Social Care and Health to ensure their protection.

All school schools must have a named person to monitor child protection.

In our school this person is Mrs Rose as the lead DSL. All Assistant Head Teachers and the Family Support Workers are also DSL trained.
Year 5 children are expected to complete: English and maths homework at least once a week. As well as this they will be required to learn their multiplication tables and spellings.

We would be very grateful if you could encourage your child to read their home-reader book everyday, learn their multiplication tables and do their homework.

As well as paper based homework, children may also receive online work. Programmes such as: Mathletics, My Maths, Spellodrome and Lexia are available for your children to do work from at home. Your child will be sent home with a login and password for these programmes. If your child does not have access to a computer or tablet at home, they will need to see the class teacher about arranging times during the school day to access their online homework.
Assemblies

We welcome all parents and carers into school to share in assemblies to celebrate good work that the children have done in school once every half term. Also look out for a class assembly which will happen during the school year.

Inspire workshops

We invite you into school to work with your child for an inspire workshop each year.

It is really important that you join your child so that you can work together and find out how to help your child to achieve their full potential.

Curriculum Letters

Curriculum letters for each term can be found on the school website and explain what your child will be learning about in school.
Rights Respecting School

We have achieved the Gold Rights Respecting Schools Award.
This means we are linking our rules and lessons to the UNICEF convention for the rights of a child. The children will be learning about the articles of this convention and the rights of all children around the world.

You can find out more about this by visiting: http://unicef.org.uk/rights-respecting-schools/
We work together in partnership for the good of all children.

If, as a parent you are unsure or unhappy about anything, do come and speak to us, don’t sit and home and worry!

Thank you and we look forward to working in partnership with you.
