6th July 2020

Dear Parents/Carers

URGENT INFORMATION

Transition Week – Monday 13th – Thursday 16th July 2020

I am writing to inform you that the school currently has a problem with the water system in parts of the school building. This means that we have had to reduce the number of toilets and hand washing facilities that are available in some parts of the building. Taking this into account we regrettably will have to reduce the amount of time the children are in school.

Therefore, during transition week the children will only be in school from 9am – 11am on the day they have been given by their teacher. Children who have a school meal will be given a packed lunch to bring home.

We do hope that your child/children still attend to go to their new classrooms and meet their new teacher. Also, Year 6 pupils will have the opportunity to say good bye to their teachers.

I apologise for any inconvenience caused by this unforeseen problem.

Yours sincerely

S Rose
Headteacher
